

Introduction:

Jesus' life on earth provided him with a Street View of humanity. He stepped out of heaven and onto Earth to walk with us. There are times and seasons when it's important to look at the big picture. And there are times and seasons when the best thing we can do is to zoom in and take a look at the Street View. Loving our neighbor starts with seeing Jesus up close in each and every person.

Scripture:

“Don't worry about anything; instead, pray about everything. Tell God what you need, and thank him for all he has done. Then you will experience God's peace, which exceeds anything we can understand. His peace will guard your hearts and minds as you live in Christ Jesus.”

—Philippians 4:6–7

5. Share a sincere compliment with the person sitting next to you, for the whole group to hear. Let's help build each other up.
