

Introduction:

Jesus' life on earth provided him with a Street View of humanity. He stepped out of heaven and onto Earth to walk with us. There are times and seasons when it's important to look at the big picture. And there are times and seasons when the best thing we can do is to zoom in and take a look at the Street View. Loving our neighbor starts with seeing Jesus up close in each and every person.

Scripture:

And I am certain that God, who began the good work within you, will continue his work until it is finally finished on the day when Christ Jesus returns.

—Philippians 1:6
