

WEEK

COME BACK

BETTER

Introduction:

Following a global lockdown, our world is emerging to a brand new day. There is a lot of talk about how the world is now making a comeback. The question is, come back to what? Normal? We all have the capacity to not just come back to normal... we can actually come back better, stronger, and more resilient.

Scripture:

A single day in your courts

is better than a thousand anywhere else!

I would rather be a gatekeeper in the house of my God

than live the good life in the homes of the wicked.

—*Psalm 84:10*

COME BACK

BETTER

Discussion Questions:

1. Describe the best day of your life. What was so great about it?
2. Describe the perfect day. What is preventing you from experiencing that day?
3. We all have things in our life that we use to define ourselves: a name, a job, a role, an achievement, an expectation, sometimes a mistake, a failure, or pain. What do you use to define yourself? How do you think God defines you?
4. When has God used your pain to transform you rather than define you?
5. If our God is great, we can expect great things from him. What great things will you expect of God this week?
